On the Line of the
Chesapeake & Ohio Railway
Most Healthful Region for Summer Outing.

Dr. John Holt, who discovered and applied the system known as "maritime sanitation," who ranks among the foremost sanitarians of the world, and who has studied climatic conditions more thoroughly than any other Southern physician, in reply to a question as to the mountain and springs section of Virginia as an outing and health region, wrote as follows:

"I consider the mountains of Virginia as a natural sanatorium, where visitors from warm latitudes, and especially from crowded cities, may surely enjoy the benefits of water-cure, which insures a rapid recuperation and the very best preparation for renewed health and a long sustained activity in the occupation of a busy and often over-worked life."

The section of country referred to by Dr. Holt is the mineral springs region of the Blue Ridge and Allegheny Mountains, four to seven hours' ride from Washington by the Chesapeake and Ohio Railway, one of the safest, best equipped and most picturesque trunk lines in America.
